The Saskatoon Experience Pass - your ticket to experience the best in Saskatoon – is back and better than ever, delivering 20 amazing offers to enhance your stay! This summer, we're adding even greater value with two bonuses: a $50 pre-paid VISA card to spend as you choose, plus the chance to win a $5000 cash prize!

**Here's how it works:**

1) Request the pass when booking your stay at any participating hotel. You'll get one for each night that you stay.
2) Upon check-in, receive your Experience Passes, plus a $50 pre-paid VISA© card to spend as you choose (one per "visit").
3) Take your passes to any of the businesses listed on the inside to redeem for a great Saskatoon experience (each pass may be redeemed for one offer).
4) Be sure to fill out the contact form on your passes – each one you redeem will be entered into a draw for a $5000 cash prize

The Experience Pass Plus and associated offers will be available to visitors from **Friday May 20, 2016** to **Saturday, October 1, 2016**.

**Rules and Conditions:**

1) The pass *must* be requested at the time of hotel booking
2) Passes and VISA cards are available while supplies last
3) A "visit" is defined as any length of consecutive room bookings
4) The offer is subject to room availability. Special conditions may apply.
5) The offer is not available for corporate, convention, group, or long-term bookings that are not considered a "leisure" visit.
6) The pass cannot be requested via online booking engines such as Expedia or Travelocity. Contact your hotel directly when booking your stay.
