Rare Eastern Dining – R.E.D.

R.E.D. stands for Rare Eastern Dining, serving highly refined reinterpretations of classic cuisines from China, Thailand, Japan, Singapore and the Indo-Malay peninsula. Our Singaporean Master Chef, Sim Pok Geok offers sensational classics and edgy contemporary preparations.

Restaurant specialties include Singapore Chili Crab, Wasabi Mayonnaise Prawns with Kiwi and Apple, Steamed Vietnamese Basa Fish, Exotic Thai curries and a selection of traditional and contemporary sushi platters. The central show kitchen showcases our sushi, sashimi and grilled preparations.

The wine list is globally sourced, chosen strictly by textural harmony to pair with the restaurant's food, genuine flavor and originality.

Designed by Thailand's P49 design group, RED offers a stylish and chic dining room with a sophisticated palette of red burgundy and burnt umber, chic tables and chairs. Every element is carefully selected to create an eastern sensibility and a perfect state of Zen. R.E.D. lands firmly on the must try list for those who enjoy high quality Pan Asian cuisine in an equally sophisticated setting.

The Chef's Table: This is a custom designed private dining room with seating for eight to ten guests. Guests can choose and enjoy from a selection of gastronomic menus designed by the master Chef. Personalised menus can also be made with the Chef along with your inputs. These unique menus will comprise a wide variety of flavours and textures, using the finest ingredients and expert skills.
