RADISSON HOTEL SHIMLA

The erstwhile summer capital of the British in India, Shimla has always been associated with spectacular natural beauty and colonial splendour. Situated in the North West Himalayas at a height of 2200 metres, amidst Cedar forests, this leisure destination has enticed and entranced visitors down the ages.

Situated at the foot of the scenic northwest Himalayas and set amidst cedar forests, Radisson Hotel Shimla is ideally located 26 km from the nearest airport in a central location for business or leisure travelers. This 5-star hotel with its ageless beauty offers exceptional comfort and services and provide you with an unforgettable stay.

Where old-world charm meets world-class hospitality

The hotel offers a choice of 47 deluxe rooms, 4 executive suites and 8 deluxe suites. All the rooms are aesthetically designed and furnished with the finest of upholstery and well matched linen. State of the art facilities like electronic safes, central heating, mini bars, tea/coffee makers and satellite television ensure a relaxed and comfortable stay.

Each lavish room and suite provides a splendid view of the magnificent Himalayan mountains and breathtaking valley, overlooking the dense forests below.

For a fine dining experience,
the Cafe Valley Vue restaurant
serves fantastic food and opens
onto a garden that overlooks
scintillating mountain ranges.

You can also enjoy the view with a
world-class selection
of wines and spirits at the
Pulse Terrasse Bar.

The exceptional facilities of the hotel also extend to conferences and meetings. Perfect for seminars and conventions, the Goodwill hall, our Banquet facility can accommodate 120 persons in theatre style and 40-50 persons in U-shape style.

The Goodwood Hall also offers state of the art conference facilities like audio-visual equipment and secretarial services to ensure that your meetings and conventions proceed as smoothly as possible.

Unwind after a busy day of activities with a splash in our vast swimming pool.

Relax, read or simply enjoy a quick nap in the lounging chairs amidst serene surroundings.

Shimla offers its visitors a wide range of activities like Skiing and the Heritage hikes.

Enjoy an exciting game of Pool at our Recreation room. We also have a Video arcade where kids can spend their time.
