Thank you for choosing the **Radisson Hotel Corning** for your event.

We are pleased to offer you the following menus to use as a guideline in planning your meals.

Our menus are suggestions only – we are happy to customize menus to accommodate individual tastes and style and can offer complete planning of your event for you – from the small details to the finishing touches.

Menu Selection

To ensure the availability of menu items, menu selections must be submitted a minimum of three (3) weeks prior to your event. Customized menus and menu planning assistance are available.

Split entree selection (maximum of two) is available. The numbers of each entree selected must be provided with your final guaranteed number of persons. Larger groups selecting split entrees must utilize place cards indicating individual guest entree selection.

Billing and Payment

All charges for your event will be posted to one (1) check. These charges will be added to your bill. If your group is tax exempt, please provide the appropriate information to our Accounting Office prior to your event. A Credit Card Guarantee is required to confirm all Banquet and Meeting arrangements. In lieu of provision of a Credit Card Guarantee, a 50% deposit is required to confirm Banquet arrangements with payment in full three (3) business days prior to event based on guaranteed numbers.

Menu Pricing

A service charge of 18% on all food and beverage (20% for Off Premises – On Location Services) plus 8% sales tax will be included in your final charges. A portion of the service charge is taxable per New York State Department of Taxation and Finance. Banquet Menus and Contracts will be priced with the Banquet Menu Pricing in effect at the time we are provided with Menu details. All printed Catering and Banquet Menu prices are subject to change without notice. Banquet Menu pricing will not be changed once a contract has been signed.

Special Occasion Desserts

We understand that special occasions require a personalized touch. If we can assist by placing cake orders with local artisans for your anniversary, bridal or baby showers, we would be delighted to do that for you. Credit or exchange in services will be not be issued to those wishing to purchase and bring in a personalized dessert for their event.

Food Administration

The New York State Department of Health regulates the Radisson Hotel Corning's food handling procedures. Therefore, the hotel is responsible to adhere to those regulations. It is policy that without prior approval and appropriate fees:

- no food may be brought into the hotel for any function
- food may not be displayed for more than 2 hours
- food left from any function may not be taken from the hotel premises

Beverage Alcohol

The New York State Division of Alcoholic Beverages and Tobacco regulate the sale and service of all alcoholic beverages. The Radisson Hotel is responsible for the administration of those regulations.

Guarantees

To ensure that your event receives the best possible service, we require that your Sales Manager be notified with an approximate number of persons ten (10) days prior to your event.

Your final number of guests and entrées (if appropriate) are required three (3) business days in advance.

If the event falls on a Monday or Tuesday, the final numbers are due on the previous Thursday or Friday respectively.

This will be considered a guarantee for which you will be charged even if fewer guests attend.

The hotel will prepare and set for the guarantee.

If no guarantee is received three (3) business days prior to the event, we will use your original estimated count as the guarantee and the guest check will be prepared accordingly.

Tentative Reservation

Your event is considered tentative until the responsible person or authorized representative signs the banquet contract and/or the advance deposit is received by our Catering Department.

The Hotel is not responsible for the performance of unsigned Banquet Contracts.

Space and Price Commitments

Contracted times for your event are followed by the Hotel.

As our guest, you are responsible for abiding by your contracted schedule.

Other events may be scheduled into your space either before or after your contracted times.

The Radisson Hotel Corning assigns rooms and assesses prices based on the number of people involved in your event.

The Hotel reserves the right to renegotiate these prices and/or change the assigned space for your function should your numbers change.

As our guest, you will be advised of these changes.

Smoking

Per New York State law, all public spaces in the Hotel are Non Smoking. As such all meeting rooms, function space, public areas, restaurant and bar areas, and restrooms are no smoking areas.

Coat Check

For the Keuka, Seneca, Cayuga, and Finger Lakes Ballroom events, a coatroom is available in the lobby for your use at no charge.

For meeting rooms in the executive corridor, a coat closet is available in the meeting room for your convenience.

The hotel is not responsible for any coats and/or items that are left in these spaces.

A Coat Check Attendant is available fifteen minutes prior to the start of your event through its duration for \$10- per hour.

To ensure that your event receives the best possible service, we require that your Sales Manager be notified that you would like this additional service at least seven (7) days prior to your event.
