Radisson Hotel
405 – 20th Street East
Saskatoon, SK S7K 6X6

Dear Georgina:

I'd like to take this opportunity to thank you and your staff for the wonderful experience during our Prevention Matters Conference that we held in November, 2009. After working with you in 2007 at another one of our large conferences, the Radisson Hotel was my number one choice. The food, location, staff, and excellent service is second to none as far as I am concerned. I have to admit, after our first experience I am a tad bit bias when it comes to praising the Radisson Hotel and their staff as I have had nothing but positive experiences.

You might be glad to hear that we included the hotel venue as part of our evaluation process for the Conference and heard nothing but wonderful feedback on the location, food, and service. Way to go!

It was a pleasure working with you again and I am sure we will be working with you again in 2011 when we do yet another of our Prevention Matters Conferences. We had over 360 participants and it was such a pleasure working with everyone again. The Radisson was so accommodating to our needs and what I like about this venue versus a lot of others in Saskatoon is that all of the Conference Rooms are on one floor and easy to locate.

If at any time you need a reference, please do not hesitate to forward my name. Planning an event of any kind takes a lot of work and I can honestly say, that not having to worry about the day and how things are going to unfold or if someone will be around to check up to see if we need anything ... having that ease of mind that it will all work out is priceless and very much appreciated. Please take the time to pass on our gratitude to the staff as well, they rock! Thanks again for making this event a huge success and for helping out with all the little details. The day ran smoothly and we were very proud of the outcome.

Yours truly,
