

# Radisson Fort George Hotel & Marina earns a 3 green key global award

Belize City, Belize - Green Key Global, a leading environmental certification body whose suite of industry standard programs and resources has been designed specifically for the lodging and meetings industries, has awarded the prestigious “3 Green Key” rating to the Radisson Fort George Hotel & Marina, Belize City.

“Green Key Global is delighted to award the Radisson Fort George Hotel & Marina with a 3 Key rating, “ said Tony Pollard, Managing Director, Green Key Global. “Their dedication to sustainability is a strong example to follow.”

For 17 years the Green Key Eco-Rating Program, has been evaluating and certifying properties in North America and beyond on the scope of their sustainable initiatives. The Green Key Eco-Rating Program is a graduated rating system designed to recognize hotels, motels, and resorts that are committed to improving their environmental and fiscal performance.

Over the past years the Radisson Fort George hotel has enhanced its social and environmental value within management and staff. We are an environmentally friendly hotel and leader, and through training and ongoing policy practices, we continue to enhance our best management practices to lower the impact on the environment.

## **About Green Key Global**

Green Key Global is a leading environmental certification body offering a suite of sustainability programs designed specifically for the lodging industry. For 18 years its flagship program, the Green Key Eco-Rating Program, has been evaluating, inspecting, and certifying hotels and resorts based on their commitment to sustainable “green” operations.
