Dear Georgina,

I am pleased to provide you with the following testimonial:

It is always a pleasure to work with the staff at the Radisson Hotel Saskatoon in planning our events - specifically the Annual General Meeting. Georgina Knudsen, Catering Manager ensures that all our meeting space is confirmed well in advance. As our event nears we work very closely with Georgina in coordinating all the logistics of the event. Her attention to detail is extraordinary.

Dawn and Michael in Banquets are the on-site 'go to' people. They ensure the event runs smoothly from room layout to food and beverage. Chef and his staff always go above and beyond our expectations. They ensure that our delegates receive a wonderful culinary experience.

The staff at the Radisson Saskatoon are very personable and approachable. Everyone, including the General Manager, Patti, who always stops by to say hi and see how we are doing, takes a vested interest in their clientele. We enjoy working with the staff at the Radisson Hotel Saskatoon as they go the extra mile to ensure that our events run smoothly from the moment we book the event through to the culmination.

We look forward to the next opportunity to work with the Radisson Hotel Saskatoon.

Best Regards,
