Dear Patty,

On behalf of the Aboriginal Government Employees' Network (AGEN) Provincial Board of Directors, I would like to commend you and the entire team at the Radisson Hotel for a truly fantastic experience. Hosting our 2012 Annual General Meeting and Conference at your Hotel was most definitely a wise decision as the event was a huge success.

Our membership was raving about the clean and spacious rooms, the abundance of delicious food and the friendly and accommodating staff. Event planning is an extremely stressful experience but thanks to the team at the Radisson, my mind was set at ease and I was permitted the luxury of actually enjoying the event.

I have never been more satisfied working with employees of a hotel as I was with the Radisson's professional, knowledgeable and cooperative team. A highlight and favorite for the delegates was the Connections Café! What a glorious way to squeeze in a healthy and nutritious coffee break while allowing delegates to network. The options at the Connections Café most definitely pleased even the pickiest of delegates.

If at any time you need a reference, please do not hesitate to forward my name. I simply adore your facility and look forward to hosting and attending events at your facility in future.

Respectfully,

Jennifer Matts
