Testimonials

“When you realize you want to spend the rest of your life with somebody, you want the rest of your life to start as soon as possible”.

– Nora Ephron, *When Harry Met Sally*

A few less famous, but far more important quotes from some of our happy brides and grooms are below:

“I work in an industry where customer service is absolutely critical and the customer service at the Radisson stood out. My beautiful fiancée and I both feel confident that the hotel is one thing we won’t have to worry about on our wedding day, and the attention and assistance of your staff gave us that confidence. I appreciate that their help wasn’t out of a desire to make a sale or get a booking, but just from a desire to help us get what we wanted out of our experience.”

– Tyler G.

“Let me start off by thanking you & your staff for everything you did to help make our wedding day so special & amazing! Every member of staff at the hotel was phenomenal! Anything we needed, they accommodated to the best of their abilities. The dinner was delicious & our guests are still raving about it! The desert & Baileys shot service was so well orchestrated that people were amazed that everyone was served so quickly! I can’t stress how happy we were with everything you all did for us & I would highly recommend your venue to anyone!”

– Maren M.

“Thank you for everything! We enjoyed every minute of it. I asked my guests how they enjoyed everything and there was nothing but great things to say. I enjoyed everything and there was always someone there to help us throughout the night. Thank you for your help in everything. It will be a day I will cherish for the rest of my life.”

– Samantha M.
