Dear Ms. Lutzko,

Re: CAPB Conference

I am writing to thank you for the wonderful experience that CAPB had at the Radisson Hotel Saskatoon in August. The conference was fairly seamless and the hotel staff, catering and meeting rooms were all exceptional. I have to tell you that the food served on the opening day was the talk of the conference. The snacks put out at the morning and afternoon breaks were both decadent and healthy.

I would highly recommend your facility to any group holding a conference of a similar size.

Sincerely,

Jennifer Malloy
Executive Director
