

Dear Guest,

Thank you for choosing the Radisson Hotel & Suites during your visit to Austin!

The hotel is amid a multimillion dollar renovation that will transform this iconic location into a property that provides an unparalleled Austin experience.

While the hotel and the renovation teams have taken great strides to minimize the impact on your experience, we do have a couple of items to note during your stay.

Firstly, the exterior building cleaning and painting occurs Monday thru Friday from 9am to 6pm. We suggest you keep your drapes and sheers closed for privacy during those hours.

Second, our fitness center can be found in suite 733, or our concierge team can provide a wide array of local fitness options centered around enjoying the Town Lake and the hike/bike trail.

Lastly, we would like to invite you to enjoy our complimentary continental breakfast offered daily in Dine Café on the 12th floor. Dine Café also features full bar service along with an all-day menu. In-room dining is available at daily from 6:30am to 11pm by dialing extension 7282.

Again, we appreciate you choosing the Radisson Hotel & Suites during your visit to Austin, and we look forward to welcoming you back to a brand-new experience in the spring of 2018!

Best wishes,

David Lang
